GRAMPIANS "Ride to Remember"

The GRAMPIANS "Ride to Remember" is organised by motorcycle enthusiasts, all recreational riders from the Grampians Region who want make a contribution to their community. They form a Sub Committee of the Victoria Police Blue Ribbon Foundation - Ararat Branch who will ensure a safe and enjoyable ride for all participants.

There are obvious synergies between the Victoria Police Blue Ribbon Foundation, police and motoring. We are grateful for the support of our local experienced motorcycle riders, Victoria Police (Northern Grampians Region), Ararat Rural City and Pyrenees Shire councils who are assisting with the planning of the Ride.

The Traffic Management and Emergency Evacuation Plan for the GRAMPIANS "Ride to Remember" will be under the supervision of the Victoria Police - Northern Grampians Region. This will be a 'green corridor' event under police escort to maximise safety and to minimise disruption to other road users. Because we will be expecting hot conditions at this time of the year, there will morning tea (45 minutes) at Buangor so riders can rehydrate and stretch their legs. Depending on conditions on the day a further 'water stop' will be put in place along the Ride route at Landsborough.

Parking of bikes following the Ride at Alexandra Gardens will be in a designated area.
