

Victoria Police Blue Ribbon Foundation

Charity Ball

Remembering lives
by saving others

Saturday 8th November 2025

Your support will help us to honour the fallen and save lives!

The proceeds from our Charity Ball will help to fund a critical public hospital project that will be in honour of Victoria Police Officers who have died in the line of duty. We look forward to sharing further details with you closer to the event.

The Foundation has a long tradition of supporting public hospitals throughout Victoria. The funding has delivered new and upgraded medical services, critical infrastructure and equipment. We are proud that together with the Victorian community we have contributed over \$12 million to more than 68 projects in public hospitals and health care facilities in Melbourne and regional Victoria.

Event details

The Victoria Police Blue Ribbon Foundation Charity Ball is our premier event raising funds for hospital projects named in honour of police officers who have died in the line of duty.

We hope you can join us.
